

Investor is a family of consultant products that ensure access to senior investment advice in the security industry during a predefined number of hours per quarter.

Investor ensures access to senior investment advice as planned or ad-hoc meetings. The meeting could be face-to-face meetings, conference calls, customer visits and telephone or e-mail contacts. The access to senior investment advice is based on availability, but the Novexus consultant will do his or her utmost to satisfy each client.

The senior investment advice could be in the areas of:

- General market advice for the security industry.
- Specific market research for a project /program within the security market.
- Specific research and company information within the security industry.
- Attend and report from a specific conference / tradeshow.
- Review, meet and report on a specific company.
- Specific topics that is in focus for the individual client.

Investor 12, ensures 12 hours of mentor availability per quarter.

Investor 24, ensures 24 hours of mentor availability per quarter.

Investor 48, ensures 48 hours of mentor availability per quarter.

The approximate # of hours used will be reported on a monthly basis and will be reconciled at the end of the quarter. Any client need to purchase a minimum of 3 quarters and the product will be invoiced in advance of each quarter.
